

WELSHFIELD INN

Gracious Country Dining & Spirits

Our Story

Jacob Welsh and his daughter traveled from Boston, Massachusetts in 1811 to the Western Reserve area of Northeast Ohio. Mr. Welsh donated fifty acres of his land on which to build a church, parsonage and cemetery. In addition, he agreed to provide the nails and glass for the church if his neighbors would call the area Welshfield, in honor of his family.

During the Civil War, the Inn was part of the Underground Railroad, caring for escaped slaves on their way to Canada. During the ensuing years, the Inn was the social center of the Welshfield area, at various times housing a school, a barber shop, a jewelry shop and the Post Office. Additions to the building were made over time, including a ballroom, guest rooms and the signature front porch.

In August, 1946, the Inn was purchased by Brian and Pauline Holmes of Akron, who created and nurtured the family style restaurant known as the Welshfield Inn. The Holmes owned the Inn for over forty-five years, residing and raising their family in the upstairs living quarters and growing and harvesting much of the produce featured seasonally on their menu.

In 2007, the Inn was purchased by Driftwood Hospitality, also proprietors of Republic Food + Drink, Cibrèò Italian Kitchen, Green Rooster Farms, Driftwood Catering at Landerhaven, Driftwood Off-site Catering and Driftwood Concessions. After extensive renovation and restoration, The Welshfield Inn reopened in November of 2007. In 2010, the neighboring church was purchased and underwent renovation to become an event facility to help serve greater demand for private events.

Our mission at The Welshfield Inn is to exceed our guests' expectations by providing friendly and attentive service and consistently excellent food in one of the region's most historic establishments.
